

***Canada's Solution to Strategic  
Human Resource Consultation  
and Labour Supply.***

## What we do:

- Workforce works with your organization to make staffing recommendations based on your needs.
- Candidates are screened, verified of their experience and tested on their ability based on the programs you have defined.
- Workforce is responsible for preparing all successful employees, prior to deployment, to ensure communication is evident and expectations are not only met, but exceeded.
- After a candidate is selected, Workforce maintains the employer-employee relationship essential in the success of our obligations to you, our client.
- In addition to the process, Workforce holds full responsibility to the financial burdens of WSIB, EHT, CPP, EI, Income Tax, Vacation Pay, Statutory Holidays, Records of Employment, Recruitment and Screening, Retention and Dismissal and all Employee Documentation.

## Client Benefits:

- **Process Management:** Our primary function is to manage your immediate and future staffing requirements.
- **Financial Benefit:** We will work with you to design staffing solutions that eliminate high payroll expenditures during low cost business periods.
- **Safety:** All candidates are certified in WHMIS and have completed a General Safety Orientation. Any personal protective equipment, if required, is the responsibility of Workforce.
- **Satisfaction Guarantee:** If you are not satisfied with an employee provided or need to terminate a position, allow us to be your extended HR function.

## Custom Payroll Services:

Workforce Custom Payroll services is designed to handle the costly, time consuming process that your organization may not be able to efficiently support. Our cost effective model takes away the daunting tasks that allow you to focus on your core business.

*We look forward to working with you.*
