Joint Health and Safety Committee

Chief Prevention Officer Approved Program

The **Joint Health and Safety Committee Certification (JHSC)**, is an occupational health & safety certification that is accredited by the Ministry of Labour, Training and Skills Development's Chief Prevention Officer.

The JHSC program is affordable, accessible and can be attained in as little as 28 hours. No prerequisites required. Students must complete Part one and two to receive the designation of **Joint Health & Safety Committee Certified Member**.

Program details:

Part 1: 15 hours of asynchronous learning (at your own pace)

Part 2: 2 days of virtual workshops led by industry experts

This is an open enrollment program. Students can start at their earliest convenience.
